Dear Sir,-

In accordance with the instructions of the University Matriculation Board, I send you herewith a copy of a communication received from the Rev. Father Murphy, University of Ottawa, in which application is made on behalf of the English staff of the University of Ottawa for representation on the University Matriculation Board. At the meeting of the Board held on the 12th inst., the following motion was passed,

"That the Board regards the application favourably and remits the same to the Senates of the several Universities for consideration at the next Conference."

Representatives were present from the University of Toronto, Queen's University and McMaster University.

Yours truly,

Secretary.

R. A. Falconer, Esq., C.M.G., M.A., LL.D., D.Litt.,
President, University of Toronto,
Toronto, Ontario.

C O P Y

UNIVERSITY OF OTTAWA

Ottawa, Canada, Nov. 10th, 1914.

Mr. Anglin,

Secretary of the University Matriculation Board,
Toronto, Ontario.

Dear Sir:

Formal application is hereby made by the English Staff of University of Ottawa for representation on the Inter-University Matriculation Board.

This present year, the branches taught in our Collegiate Course conform to the requirements of the Matriculation Board. Representation is sought on the Board with a view to having our students pass the Board examinations in June, 1916, or at the latest in June, 1917. It is doubtful if this could be done sooner.

For obvious reasons, the Professors of our English staff wish it to be specifically stated that our representative on the Board shall be the Préfet of Studies of the English Course.

I remain,

Sincerely yours,

(sgd.),

Stephen Murphy, O.M.I.

Préfet of Studies, English Course.

Dear President Falconer,-

A number of communications have been received from young men enquiring whether or not the University Matriculation Board intended to grant Matriculation standing to those who are enlisting for foreign service. Enclosed you will find all the correspondence relating to these cases, together with a memorandum giving a brief statement on each case. I would be pleased to receive from you directions as to what action should be taken. Kindly return the correspondence.

Yours very truly,

R. W. Anglin

MEMORANDUM

RE APPLICATIONS FOR MATRICULATION STANDING FROM STUDENTS WHO HAVE ENLISTED OR
WHO DESIRE TO ENLIST IN THE MILITIA FOR FOREIGN SERVICE.

1. H. ARDAGH, ORILLIA

This candidate obtained partial Matriculation covering ten papers in 1914 but owing to the late date at which he received notice of the results, he was unable to prepare satisfactorily for the september examination. On the recommendation of the Executive, he was given a special examination in the two papers that he required to take namely, French Composition and Chemistry. The candidate paid the expenses of the examination.

2. PERCY COMME, NEWCASTLE

This candidate has not at any time tried the Matriculation examination. The Executive did not consider that the candidate had made out a case.

3. THOMAS C. SMITH, SYDENHAM

An unsuccessful candidate at the matriculation examination in 1914; in view of the action of the Executive in the case of Percy Comme, this candidate's application was refused and he was advised to try to take the examination in June.

4. WILTON STEWARD, DUNNVILLE

Letter more in the nature of an enquiry than of an application. He was informed that the Board had taken no general action in the matter.

5. E. GRANT LONGMAN, BARRIE

Tried part of the examination in 1914 but owing to collusion between him and another candidate, he was not allowed to finish. His request was considered in the same way as that of Percy Comme.

March 10th, 1915

R. M. Anglin, Esq.,
Secretary, Matriculation Board,
Toronto.

Dear Mr. Anglin:

At the request of the Minister of Education I have communicated with the other Universities which along with us constitute the Matriculation Board asking them whether they will agree to recommend the striking off of the poem "Deutschland über alles" from the list of selections for Junior Matriculation in the German Reader. Queen's and McMaster Universities agree with the University of Toronto that this should be done. The Western University through its Principal is unwilling to take action at present in the matter. Will you therefore in accordance with the recommendation of the majority of the Universities composing the Board have the selection removed from the list for Matriculation and notify the Examiners?

I am,

Yours sincerely,

President.

RE APPLICATIONS FOR MATRICULATION STANDING:

6. FRED PALMER, ST. THOMAS

Obtained partial Matriculation in 1914 covering eleven papers but requires to obtain sixty per cent on Algebra to complete his standing. The Principal of the Collegiate Institute states that the candidate, up to the time of enlistment, has been taking Honour Matriculation work and that owing to military duties he cannot continue his studies. The Principal has not been informed of a decision.

7. HAROLD MCPHEE, ORILLIA

Tried Matriculation in 1913 and again in 1914 but obtained no standing. The Principal of the Orillia Collegiate Institute states that the candidate has been in attendance from September, 1914 to January, 1915, when he withdrew to enlist. At the school examinations at Christmas, he obtained over forty per cent on each subject and his average exceeded sixty per cent. No action has been taken on the application.

8. A. W. MACDONALD, PARRY SOUND

States that this is his second year in the Third Form. He also states "it is not my intention to take up a University course". From his letters, I assume that he is merely enquiring whether any general action is to be taken and if Matriculation is to be granted to those who enlist he wishes to be one of the favoured students.

OFFICE OF THE SECRETARY,

SECRETARY.
